Business French

Improve your business language skills, develop vocabulary, and learn about the major business issues and events of contemporary France. The course consists of 6 thematical units, divided into five lessons each—Economic Actors, Creators of Business, Human Resources, Marketing, Professional Correspondence, Results and Trends. It treats each unit thoroughly (vocabulary, definitions, some grammar, oral and written exercises in class and at home), the goal being to communicate orally and in writing while mastering the business jargon pertinent to each subject. Each 10-week session covers 2 units. This course can also be used to prepare for the DFP Affaires C1 exams (*Diplôme de Français Professionnel Affaires B2 et C1*) of the French Chamber of Commerce. If you wish to take the exam for the *Diplôme* delivered by the

Chambre de Commerce de Paris, it is recommended that you take all 3 sessions of the course. 10 Thursdays - 5:30 – 7:30 with Françoise Crisci - \$270 + book

Les Medias Français

Cours axé sur l'actualité française à travers l'analyse et le commentaire d'articles extraits d'une grande variété de médias français en ligne.

Les apprenants seront invités à découvrir de nombreux médias français; à suivre, décrypter, commenter et mieux comprendre les enjeux de l'actualité française et internationale et à débattre, tout en perfectionnant leur français.
