Dear Colleague:

The Alliance Française de Philadelphie is pleased to announce that we will again be offering a scholarship for the study of French. The Pierre C. Fraley Scholarship consists of a generous monetary award (\$2,500) and is intended to enable a college student who is committed to the study of French to participate in a summer study program.

Details of the award are enclosed. We would be glad to supply any additional brochures you might need as well as application forms for students who are interested in applying. We would appreciate your help in forwarding this information to any other interested faculty members and we would be particularly pleased if you would inform students in advanced French courses of the scholarship. The application can also be found on our web-site [www.afphila.com](http://www.afphila.com).

Thank you for your interest and your support.

Sincerely yours,

Lisa C. Franks  
Chair
